

RETIRE UNITED

You finally reached your BEST years. Make them GOLDEN!

LIVE UNITED

CONGRATULATIONS ON YOUR RETIREMENT!

LIVE UNITED

Over the years, you and your co-workers have improved the lives of thousands of people in Escambia and Santa Rosa counties through hard work and generous giving. As you start to shift towards retirement, United Way of West Florida invites you to continue growing your investment in your community and offers satisfying ways for you to enjoy retirement.

We hope that in this new chapter of life, you will continue to LIVE UNITED!

"While I am not yet retired, I will be in the near future. I have seen the differences that volunteers make in our community and I know that when I do retire I will not "retire" from volunteering. I am looking forward to the new opportunities being retired presents to further impact our community, that I didn't have the time to do while working."

United Way of West Florida Board of Directors*
