## UNITED WAY OF WEST FLORIDA AVERAGE WEEKLY IMPRESSIONS

## DIGITAL IMPRESSIONS AND STRATEGICALLY TARGETED AUDIENCES

UWWF utilizes a multi-pronged advertising campaign approach that strategically targets two separate age groups.

- A modern and contemporary focus on brand awareness to target a younger audience.
- A targeted audience, ranging in age from 28-65 years old, with an annual household income of 60K or greater, and an interest in giving back to the community. This demographic knows who we are, but may not know what we do.

How are we reaching them? We use Google and Microsoft ad accounts, social media, digital displays, geofencing, SEO, site retargeting, and targeted emails. We will get in front of as many people as possible with your logo placed in a proud and prominent area on the ad.
