

# UNITED WAY WORKPLACE CAMPAIGN

## LEADING THE WAY

**Leading the Way in Escambia and Santa Rosa counties!**  
**In our community, everyone deserves the opportunity to thrive.**

## MAKE AN IMPACT WITH VOLUNTEERING

In 2023, United Way of West Florida's volunteer platform, Get Connected, captured 871 new volunteers and 19 new agencies who joined the site. The agencies on Get Connected created 176 needs for volunteers. Because of these needs and volunteer efforts, there was a total of 6,378 volunteer hours recorded with an impact value of \$202,806.73. These numbers show how much these volunteers have given back to our community and the difference they have made!

United Way of West Florida mobilizes communities to action so that all can thrive. Whenever there's a need in our community, United Way is there. UWWF is all about creating a future where everyone, everywhere can rise.

And we're not stopping there. Your support can help continue tackling the biggest problems in Escambia and Santa Rosa counties. From education and health to hunger and natural disasters, we bring a comprehensive approach to every challenge. Because more than 100 years of experience has shown us that when people unite to take action, change is possible.

Last year during our 30th Day of Caring, 728 volunteers completed over 68 projects with a total of 3,108 hours of work. Projects ranged from yard work, food service at shelters, reading to children, painting walls, and even building homes.

During Stuff the Bus this past July, 424 volunteers from Escambia and Santa Rosa counties logged 990 hours this year for Stuff the Bus! The event raised nearly \$32,000 in funds with over \$45,000 worth of supplies piled into the buses that day! Thanks to our community, almost \$77,000 was raised for our local students!
